A New Face Is Coming To Campus.

Beginning Saturday, April 26th, through the end of finals week, a security guard will be patrolling the engineering campus during the overnight and weekend hours. You must have a College of Engineering decal on your student ID card to be in the building during that time. Otherwise, you will be asked to leave the building until we reopen for regular business hours (Monday to Friday from 7AM to 7PM). On Saturday, April 26, we will be in the Building A Atrium from 3pm to 5pm providing ID decals. You may also pick-up a decal anytime from the Office of Student Services located in Room B-111 from 9AM to 5PM, Monday to Friday.

We are also providing a limited number of Guest Passes which can be used for you to invite up-to two non-engineering students to study with you at the college. Guests must be accompanied by an engineering student with a valid COE ID decal. Guest passes are available from the Office of Student Services. If you have any questions, you may contact the Office of Student Services at studentsupport@eng.fsu.edu, or call 850-410-6423.

Scholarship Opportunity

Are you a sophomore, junior or senior searching for a scholarship? This opportunity is for you!

The Carter Opportunity Scholarship is open until August 2, 2014. Up to $20,000 repayment of subsidized Stafford Loan. To apply visit http://www.eng.fsu.edu/scholarships/search.html?type=scholarship&submit=Search.

Special consideration given to students who are members of groups who are traditionally underrepresented in the field of engineering, including women, especially of Latina or Hispanic descent, and who are the first generation in their family to attend college.
Titus Zeigler, a senior at Atlanta’s Henry W. Grady High School, could have chosen to attend any historically black college or university (HBCU) in the nation – but he chose Florida A&M University (FAMU).

Zeigler is the recipient of the Tom Joyner Foundation’s Full Ride Scholarship, which provides the nation’s top graduating high school seniors with funding to pay for full tuition, on-campus living and books for up to ten semesters at any HBCU of their choice.

To qualify for the Full Ride Scholarship, students must have a minimum 3.5 GPA, a minimum combined SAT score of 2100 or ACT score of 30, and demonstrate leadership through community service and extracurricular activities.

FAMU Professor Gale Workman Honored International Writing Work.

Twenty-five is a special number for Florida A&M University (FAMU) professor Gale Workman, Ph.D. It is not only the number of years she has been teaching at FAMU’s School of Journalism & Graphic Communication, it’s also the number of women she was honored among during the “25 Women You Need to Know” ceremony hosted by the Tallahassee Democrat.

Workman was one of only 111 scholars selected from 28 countries to attend the Forum at the University of Lisbon. During her workshop, “Citizen Journalists Defend Democracy: How to Report News Using Digital Devices,”

FAMU Summer Camps to Train Future Leaders.

The National Oceanic and Atmospheric Administration (NOAA) Environmental Cooperative Science Center (ECSC) will be sponsoring the School of the Environment Summer Camp June 9 - 27. The three-week day camp will be held on weekdays from 8 a.m. to 5 p.m. and is open to eighth through 11th grades. Students from around the nation are being invited to participate in an array of summer programs designed to stimulate young minds and give them a glimpse into the FAMU experience.

Attention FAMU Graduates.

In an effort to evaluate the General Education Core and the flow of knowledge into the degree programs, all students graduating with a bachelor’s degree are asked to take the ETS Proficiency Profile test. It is requested that you pass this information on to any senior students.

How to take the EPP:
The web address for the test Login Page is http://proficiencyprofile.ets.org/
The Session number for login is 54195-8457561.
The testing session will close on May 3, 2014
The testing will end May 3, 2014.
FSU Main Campus News

FSU Great Give Campaign.

Members of the Florida State University community can contribute funds toward academic programs and scholarships during FSU’s Great Give, a 36-hour online campaign sponsored by the FSU Foundation’s Annual Giving department.

To make a contribution, visit greatgive.fsu.edu between 9 a.m. Thursday, April 17, and 9 p.m and Friday April 18 between 9 a.m. and 9 p.m.

FSU’s Great Give allows individual colleges and units within the university to create featured projects that benefit initiatives that may not be funded otherwise. Projects can be viewed online.

FSU Launches New Entrepreneurship Competition.

The Ohio-based Diehl Foundation is funding a two-year pilot project to identify and support new enterprises capable of providing sustainable solutions to problems such as poverty, unemployment and public health in the United States and abroad. The DeVoe L. Moore Center in Florida State’s College of Social Sciences and Public Policy will manage the William and Helen Diehl Family Social Enterprise Competition.

For more information about the competition, visit www.socialenterprisecompetition.com or contact Ruth Krug at rkrug@fsu.edu or (850) 644-3848.

New Digital Library

FSU has just announced a new partnership with Islandora that will help students advance in academic excellence and success through intellectual discovery and dynamic engagement. FSU Libraries have launched the new Florida State University Digital Library (http://fsu.digital.flvc.org/). The FSU Digital Library provides online access to Florida State University’s rich and unique historical collections of photos, pamphlets, maps, manuscripts, and rare books. Visit the site today!

Engineering Library.

Take advantage of your resources!
The engineering library has course reserves, laptops, headphones and other media items available for checkout.

The engineering library will be extending the hours once again during finals week!
Bands Without Borders

Bands Without Borders  
Location: All Saints Hop Yard  
Date & Time: April 18th @ 7:00pm  
$5 Tickets (Presale and day of)

Engineers Without Borders is hosting a benefit session Band Without Borders on Friday, April 18th to raise funds to assist Bahia Roja, an indigenous community in Panama, to develop a rain-catchment system so that they will have access to clean water. The concert is hosted at All Saints Hop Yard at 7:00pm and will feature local bands of the Tallahassee area including Fungle Junk and The Vinyl Kicks, tickets are $5 and can be purchased from EWB members or at the event, presales come with a free shirt; while supplies last.

Further information can be found on our Facebook event: Bands Without Borders Benefit Show and additional information and questions should be sent to fsuewb@gmail.com.

Finals Are Almost Here!

Make sure you know ahead of time what day and time your final will take place, If you haven't already done so visit the link below!

Beginning Fall 2014, every monday from 5:30-8:00p.m. in room B136 this three credit hour course will be offered.
For graduate students: EIN 5930, Section.3 (FSU #8202; FAMU #TBD)
For undergraduate students: EIN 4936, Section. 4 (FSU #8203; FAMU #TBD).

ABET Accreditation Information Posted on Engineering Website

All of the undergraduate degree programs at the FAMU-FSU College of Engineering are accredited by the Engineering Accreditation Commission of ABET, Inc, http://www.abet.org. The College recently posted information required by ABET regarding program educational objectives, student outcomes, student enrollments and annual graduation data for each degree program at URL: http://www.eng.fsu.edu/about/accreditation/outcomes-abet.html.

On-Campus After Hours? Here Are The Rules.

- Students are permitted to study in all 3 breeze ways, the Atrium, Library, or in the computer lab. Students may not use classrooms or offices to study during the overnight and weekend hours.
- Don’t forget to keep an eye on your belongings while you’re studying! We always see an increase in missing items around this time of year due to people walking away from their study area and leaving things behind, etc. Don’t take a chance on losing something valuable!
- Please be courteous and clean up after yourselves. If you brought something with you into the building (papers, snacks, water bottles, etc.), make sure it leaves with you or is disposed of properly. If you bring pizza with you to study please take empty pizza boxes out to the dumpster in the parking lot of Building B. As always, there is no food permitted in computer labs.
- Alcohol is NOT permitted in the building at any time!
